AMEND Senate Bill No. 984

House Bill No. 572*

by inserting the following new subsection immediately after subsection (m) in the amendatory language of Section 2:

(n) If the state mandates electronic medical records between a pharmacist and a prescriber as described in subsection (i), then the pharmacist shall only be required to communicate the biological product dispensed through an electronic medical records system when such a system is in place and the information is accessible to prescribers.
